Giving & Finance Update

The congregationally approved contribution target for this fiscal year ending June 30 is \$2,030,000. However, with staffing changes that have occurred since the budget was adopted in June 2009, our new target is \$1,950,000. This means we are very close – just 2% under – our target for this point in time.

2009–10

Revised Contribution Target \$1,950,000

2009–10 **Actual** Giving \$1,374,000
(as of 2/28/2010)

February Giving:

monthly target \$144,000
actual giving \$167,000

We exceeded our target in February! Thank you for your faithful support of the Lord's work through CHBC. For more information about giving and finances, go to www.biblechurch.org and click on "Contributions" at the bottom .

"Be the Match" Drive

Thanks to all who participated in the drive last Sunday, both the 158 potential stem cell donors and the volunteers that helped. Chip Stam is appreciative for the nearly 700 new people in the registry. If you were unable to register, you still can!
